

## Country Meadows Tuesday Ladies Golf

Thank you for your interest in our golf club. Here are some details for your consideration:

- We golf from the beginning of April to the end of Oct.
- We ask that our members golf a minimum of 12 games. We do understand that members who experience medical issues during the season, may not be able to fulfill the 12 game minimum which is no problem.
- Our draws are random and tee times are between 8:00 am and 10:30 am during the months of April, May, Sept and Oct. During the months of June, July and August, our times are between 7:30 am and 10:30 am.
- We do have some competitions during our golf season.
- Our membership dues are \$140 for the season which includes a membership to Golf Canada, an Opening Breakfast, Fun Day Lunch, Championship Lunch and Closing Lunch. Ladies pay the weekly green fees that Country Meadows charges (currently listed as \$33 on the website).
- We do keep a handicap.** New members are required to submit three attested scorecards (a total of 54 holes) when they join our club. These scorecards can be from their recent golf games or the first three golf games that are played as a member of our club. This needs to be accomplished by the **end of April to establish a handicap.** During the season, members enter their scores on the Golf Canada website after their weekly Tuesday golf. We have a wide range of golfers with different golfing abilities.
- Our focus is on fun** but also with some structure to play by the rules and maintain a handicap.
- We will organize a New Members Orientation in March. Date to be determined.
- We welcome new members.
