

To Zone 4 Captains, Vice Captains and Executive Members,

January 19, 2022

Hello again, please find below: notification for Zone 4 Spring Meeting; opportunity to buy 2023 Golf Canada Rules Publications at a reduced rate; and, some interesting tidbits about participation and work in our zone.

Did you know?

The Zone 3 and 4 Business Women raised \$125 through their 50/50 draw at their Tournament in August at *Tsawwassen Springs* GC. They have donated the funds to support Junior Girls golf in both zones. Thank you!!

Did you know?

Zone 4 participation rates in the Pin Rounds, Dorothy Olive Franklin and Beat the Champ are making a difference in funding for our up-and-coming junior girls and elite women golfers. Can we do better? I think so. Only about 50% of our 40 clubs participate.

- 19 clubs paying fees for **BC Pin Round** involving 794 players. \$2 for each entry
- 16 clubs paid **Dorothy Olive Franklin** entry fees for 609 players. \$2 for each entry
- 13 clubs held **Beat the Champ** competitions for 419 players. \$1 for each entry

2022 numbers are up from 2021, but pre-Covid in 2019 the numbers were 818 – 711 – 552 respectively

How does it work?

- Set the date for your club. Record the results on the day of play – collect the scorecards, check the Handicap Index and do the calculations.
- **Fill out and submit the information and entry fee to our Zone 4 Treasurer by July 31, 2023.**
- Forms available on the Zone 4 website, Captain's tab. <https://bcgazone4.org/women/index.html>
- Prizes for Zone 4 winners are presented at the AGM.
