

Dear Zone 4 Captains and Vice-Captains,

I hope everyone is gearing up for a great golf season! I'm sure many of you are away, a few will be here, golfing in these frigid temperatures, and many of you will be planning your events for 2025.

Here are some important Zone dates to note and mark on your calendars. More details to be posted on our website soon! <https://www.bcgazone4.org/women/index.html> A calendar that can be circulated is also attached.

The Championships: The McCreedy Cup is awarded to the overall champion from across both Zones in the 36-hole Amateur and Senior Tournament in May. Each Zone also crowns its own champions and provides them with financial support to attend the Provincial Amateur and Senior events held the following month. Eligibility in the Championships is by handicap index. Limited to 60 participants.

The details for the provincials are posted already on BC Golf's new Championship page:

The Partner Best Ball and the Fall Classic: These are fun events, with gross and net prizes. Registration is based on first come, first served. Both events can accommodate 80 or more players. Greenacres has consistently provided us with a great buffet dinner and its location

can't be beat. We are delighted to have our third event at Ledgeview which has fully reopened with a gorgeous course and brand-new clubhouse.

On another note, please keep **BC Golf's Cloud Series** in mind for your members. It provides a very low stress way to experiment with some fun formats, play with a team on your own course and compete virtually with others. It costs nothing to enter and there are prizes. You will find it described on the BC Golf Championships page [Cloud series](#) link here.

Team schedules are posted on our [Zone 4 Women's](#) website.

Finally, Zone 4 has a **Zoom** subscription which you are welcome to use. Our webmaster and Team 2 Captain, Sherry Work, will be happy to set up a meeting for you and then turn over hosting to you and leave. There is no time limit on this Zoom. Email Sherry with your request: shwork@telus.net

Here's to a great season! See you in April if not before!
