Message from your new Zone 4 Rules Chair :

I asked several gals from different clubs what they would want from this seminar, and a couple of common themes emerged. So, we will talk about:

- *what's new for 2026, the PGA (and our) use of Model Local Rules*
- *roles and resources - players, rules chairs, "committee"*
- *your rules questions on anything (please email me your questions asap to teresapickering@me.com so I can organize and make best use of our time)*
